DPD 1139-59
Cy 2 of 8
24 February 1959

TO : Deputy Director, Plans

SUBJECT: Return of Systems V from Base "C"

1. Now that aircraft at Base "C" are equipped to fly Systems VI, it is recommended that Systems V and associated ground read out equipment be returned to the Supply Depot in the ZI.

2. After this equipment has been returned, it is further recommended that it be broken up into component parts and added to normal stock.
